## Heavy Duty/Mechanic

**Type:** Full Time  
**Start Date:** Mon, Apr 29th 2024  
**Closing Date:** Fri, May 31st 2024  
**Website:** [www.paulbros.ca](http://www.paulbros.ca)  
**Employer:** Paul Bros Nextreme

We are seeking a skilled Mechanic to join our team. As a Mechanic, you will be responsible for repairing and maintaining a variety of machinery and equipment. This is a hands-on role that requires strong technical knowledge and problem-solving skills.

### Duties:

- Inspect, diagnose, and repair mechanical issues on various types of machinery, including farm machinery, automotive vehicles, and Caterpillar equipment
- Perform routine maintenance tasks such as oil changes, filter replacements, and tire rotations
- Use diagnostic tools and equipment to identify electrical and mechanical problems
- Read and interpret schematics and technical manuals to guide repair and assembly processes
- Collaborate with other team members to troubleshoot complex issues
- Provide excellent customer service by addressing client concerns and ensuring timely repairs
- Maintain accurate records of repairs, parts used, and labor hours

### Requirements:

- Proven experience as a Mechanic or similar role
- Strong knowledge of mechanical systems, including engines, hydraulics, and electrical components
- Proficiency in using diagnostic tools and equipment
- Ability to read and interpret schematics and technical manuals
- Familiarity with farm machinery, automotive repair, or Caterpillar equipment is highly desirable
- Excellent problem-solving skills and attention to detail
- Ability to work independently with minimal supervision
- Strong communication skills and a customer service-oriented mindset

Please note that this job description provides a general overview of the responsibilities, duties, and requirements for the position of Mechanic. It is not exhaustive or comprehensive. Other tasks may be assigned as needed.
