## Marlin 1895 GG Stainless .45-70 with JM Stamp

For sale is a beautiful Marlin 1895 Guide Gun stainless in .45-70. Powerful, compact and perfect for moose hunting or bear defence in the bush.

The rifle is in great condition. It has some scratches on the receiver as seen in photos but it's never been hunted with. Beautifully accurate for a lever action in this calibre. It has the desirable "JM" stamp from Marlin's glory days.

The rifle has several upgrades:

- Wild West Guns (WWG) trigger kit
- WWG aluminum magazine follower
- WWG 1-piece stainless ejector
- XS ghost ring sights
- stainless steel blank in rear sight dovetail
- comes with a set of Warne bases for scope mounting
- Pachmayr "Deluxe White Line" recoil pad

I can also include several boxes of ammo (Hornady 250gr and Remington 405gr) at a discounted price if desired.

Must have a valid PAL to handle or purchase.

Thanks for looking!

## Price: \$1,850.00 or best offer
