Ruger No. 1 Rifle in 6.5x55mm

For sale is a rare, limited edition Ruger No. 1 in 6.5x55mm.

This is a single-owner rifle, and it's in excellent condition having lived as safe queen. At most 50 rounds have been fired through it at the range. Has some minor handling nicks shown in the photos.

The rifles has several upgrades:

- JARD Inc. trigger.
- TROP safety with a rounded profile which does not catch the brass as it is ejected from the chamber.
- The forend has been epoxy bedded by a professional gunsmith.

Includes both Ruger and Warne rings for scope mounting, as well as a rear sight from Skinner Sights.

Also included are the original factory trigger and safety for collector purposes.

I can also include several boxes of S&B and Nosler ammo at a discounted price.

A valid PAL is a must to handle or purchase.

Thanks for looking!
