Double stroller

baby jogger double stroller.

Comes with:

- 2 toddler seats with sun visors (one seat reclines and the other does not)
- Adapter to accommodate the second toddler seat.
- 1 detachable child tray
- 1 travel bag for airport
- 1 under stroller storage compartment

You can Google the cost of the city select and will find that it is super expensive when purchased new.

While this stroller is well loved, it still works well and is in great condition. If you are looking to save a bunch of money I am sure you will be pleased with this stroller.
