## 1000 piece poker set

1000 poker chips, 2 decks, 5 dice and the big/small blind and dealer chips all in a black aluminum rolling case

There's a little bit of wear and tear on the case and some of the lining inside is coming undone. But it still works well for a big poker night.

**Price: \$ 150.00 or best offer**

Phone: 867-446-5668
