WANTED: House with suite

We're a local Yellowknife family looking for a new place to call home.

While we're open to all neighbourhoods, our work and close-knit community are in the downtown and Old Town area, so we're especially interested in that part of town.

We're looking for:

Preferably less than 2000 sq ft
2+ bedrooms
Basement suite or equivalent with 1+ bedrooms
We're flexible with closing date.

We know selling a house isn't always the most enjoyable process, so we're putting ourselves out there in hopes of making it a little easier.

We'd love to hear from you.
