## Recycling

Hello,

If you have recycling for the bottle depot you would like to give away, i'd be happy to take them off your hands. My oldest daughter was attending U of A and has just her practicum left to complete and cannot complete it as an unexpected health issue has risen. As a result she is unable to work and pay her rent and bills. As her mother i'm doing everything in my power to help her with this unforeseen circumstance. Please email, anything would be greatly appreciated.
