Golden Retriever Litter

Age: Baby
Size: Medium

I have a litter of purebred goldens available. All were born healthy on July 12th, and will be available the first week of September once they turn 8 weeks.

All are well taken care of and are on a premium diet (Purina Pro Plan). The puppies will include their round of shots and dewormers as well as a take home kit prior to leaving the nest.

Please contact me for more information and to schedule a visit! I will be allowing regular family visits to see the puppies throughout the month to help with the transition.

Currently asking \$400 as deposit and \$1100 due on puppy pick up day as per breeder's standards.
