Husqvarna AR19 Self Propelled Aerator

Used- like new

Price: \$ 3,700.00 or best offer

Phone: 506-988-1718

more info is available for this ad at www.yktrader.com

Description

- Protect free-wheeling roller tires for better maneuverability around corners and tight areas with less left damage
- Additional side wings allow for improved soil penetration and are removable for reduced roller wear (helps in allowing weight balance on slopes and hillsides)
- Folding operator handles, lift handles and semi-permanent front tire allow for easy transport and storage
