Crystal Chandelier

I have a 13 light chandelier with real crystals in excellent condition. All pieces were chained linked by hand. Asking \$700 OBO. It's 30" wide and 30" tall.

I'll include spare crystal pieces as well as the chain it came with. Will bubble wrap and can deliver. Make an offer! This lighting would add elegance and increase the property value of your home, & would look great in a foyer or a dinning room.

Price: \$ 700.00 or best offer
