iPhone 12 Pro - 256 GB

Phone is in good overall condition and was in a case since new. Battery health is approx 81%.

Phone was used on Bell, but should be unlocked. I can provide it with a USB-A to lightning and a USB-C to lightning cable.

I also have an older Mous case that purchaser is welcome to have for free if they want it.

As the phone is older, there is no remaining applecare or warranty. I have not had a single issue with this phone since new.

Price: \$ 375.00
