Nosler Model 21 Rifle in .308 Winchester

For sale is a barely used Nosler Model 21 rifle in .308 Winchester in excellent condition. Original box included. Rifle comes with a Talley picatinny rail for scope mounting.

It has been to the range once to get sighted in, after which I took the scope off to use for a different project and the rifle has just been sitting in my safe since. Only about 15-20 rounds through it total, and it shoots extremely well with Sako 180 grain Gamehead ammo.

Nosler assembles these with fantastic components: Mack EVO action, Shilen mid-weight barrel, McMillan carbon fiber stock, TriggerTech trigger, Decelerator recoil pad. It also has a Wyatt XL length internal magazine, which will let you seat the bullets further out if you're a handloader.

Would make for an excellent all-around hunting rifle.

Price is \$3200. Valid PAL is a must to handle or purchase.

Thanks for looking!

Price: \$ 3,200.00
