Brand New Fierce Carbon Rival XP Rifle 7mm Rem Mag

For sale is a brand new Fierce Carbon Rival XP in 7mm Remington Magnum with a 20 MOA picatinny rail. Comes with original box.

I won this beautiful rifle in a draw, but it is surplus to my needs so I am selling it. It is unfired, save for any factory testing.

Fantastic rifle for a long range, lightweight hunting setup with a carbon fibre wrapped barrel and a carbon fibre stock. Action and barrel are cerakoted stainless steel making it extremely weather resistant.

The price is $2,850. These rifles normally retail for $3500+ in addition to taxes and shipping.

Valid PAL is a must.

Thanks for looking!
