### **Tips to Avoid Getting Scammed**

This individual has been successfully fleecing folk for some time. The story typically involves travel from up north, an offer to bring the dog to you with a \$100 deposit for gas. She threatened me with the wrath of God for exposing her. Lol

1. Ask for Veterinary information and Confirm.
2. Ask for details about the pets birth story, breeding, etc.
3. Ask for a picture of the seller with the animal.
4. Try to confirm information online. The name this seller is using has zero online footprint beyond the yktrader ad. Red flag!
5. Insist on actually physically viewing the pet prior to exchanging money.
6. Trust your gut.
