Bernese Mountain Dog

Age: Adult
Size: Medium
Gender: Female

This is one of the hardest things we've had to do, but we were looking for a new home for our sweet Becky who is 1 year 3 months old purebred Bernese Mountain dog. We're moving into an apartment and landlord restrictions do not permit us to have more than 1 pet, and she deserves more space and freedom than we'll be able to give her.

Becky is playful, smart, and protective she's not the cuddliest at first, but once she feels safe and comfortable, she warms up in the sweetest way. She adapts quickly to new places and routines, and she absolutely lives for long walks, big open parks, and time outdoors. She is fully house-trained, she does great with kids and other home pets.

We're not just looking for anyone. We want Becky to go to someone who will truly care for her, understand her, and give her the attention and exercise she needs. She's more than just a dog, she's a part of our family, and we hope she can become part of yours too.

Price: \$ 500.00
