Loving 1-Year-Old Springer Spaniel / Border Collie Mix Looking for Her Forever Home

We are looking to re-home our sweet 1-year-old Springer Spaniel / Border Collie mix. This decision hasn't been easy, and we're committed to finding her the right home where she can truly thrive.

? About Her:

Spayed and house-trained

Great with kids

Okay with cats (with proper introductions and guidance)

Knows basic commands like sit and paw

Very intelligent and eager to learn

Extremely food motivated (training is a breeze!)

Loves to snuggle and be close to her people

Her Personality: She's affectionate, playful, and full of energy. She bonds closely with her people and absolutely loves cuddle time after she's had a good run.

What She Needs: She is a high-energy dog and will do best in an active home. Daily exercise (like running or long walks) is a must. She is also quite clever and can jump fences, so a secure yard or supervised outdoor time is important.

Ideal Home: Active individual or family

Someone with time to exercise and engage her mind

Experience with high-energy or working breeds is a bonus

We truly want the best for her and are happy to answer questions or arrange a meet-and-greet to ensure a good fit.

Please reach out if you think you could be her perfect match.
