Lease transfer for 4 rooms appt-\$2615/month

Size: 4 Bedrooms, 2 Baths

Features:

I am transferring my lease because I am leaving on July 31st or even before. It is a townhouse equipped with 4 1/2 rooms, a kitchen, a balcony and a big living room and two bathrooms. The lease goes until January 31 and is renewable.

Included:

included Fridge, heat, water. You can keep some furniture like beds, freezer, microwave, dishwahr, parking lot. The master bedroom is spacious and has its own bathroom. I have roommates who are interested in staying there and can alleviate the rent

I have to leave Yellowknife after 10 years of living here. I am transferring my lease which goes until January 31 2027 and is renewable. I usually paid \$2615/month but it may increase after January 31, 2027. There are two roommates there that are willing to stay, and another room is available, all those can help you alleviate the cost of the rent. The internet is not included but I generally pay \$173. As for the power, it is not included too but the cost varies according to the season, roughly between 101 to 143 if you or the roommates don't do laundry all times. It includes a fridge, the heat, water, a dishwahr and parking lot. The appat is at 15 min walk from the town.
