Bissel Crosswave Floor Cleaner

This unit comes with replacement filters and brushes and some soap.

My place is just too small for this, but this Bissel is the best for cleaning hardwood, laminate, area rugs from pet hair.

I had 2 huskies - and this machine Vacuums and MOPs - you'd be surprised at the amount of fluff and dirt on your floor.

This unit is well taken care of and properly rinsed and cleaned after each use.
