Bonded Pair to Rehome

Age: Adult
Size: Medium

Grey cat - Male, 3years old. Very sweet and friendly. Does well with kids and dogs.

Brown cat- female, 6 years old, she may be pretty shy at first but comes around when comfortable, she's VERY cuddly and reminds me of a little teddy bear when holding. She may take abit longer to trust you but once she does it's completely worth it <3

They're both Vaccinated and fixed. They're microchipped to me but that can be changed at the vet.
Moving on short notice and I can't bring them with me sadly..
I would prefer they go into a home together.
