Tamron 70-300mm Sony E-mount Full Frame Telephoto

Tamron 70-300mm f/4.5-6.3 Di III RXD for Sony E-mount, full-frame

Purchased new on July 29, 2026 for \$577 + tax, so the lense is only a couple of weeks old and is in excellent/ like ne condition.

Excellent lightweight telephoto zoom for wildlife, birds, landscape and general outdoor photography, works on Sony full-frame and APS-C E-mount cameras. Lens work perfectly and takes excellent, sharp photos. I'm only selling it because I pruchased a longer zoom lense and no longer need both.

Includes original caps and packaging.
