Danske Spritfabrikker – Denmark

Harald Jensen Aquavit is a real “men’s gaskit”, created by the lifes, the firewind burner and the art painter Harald Jensen in 1863.

With his creative and experimental approach, Harald Jensen created a aquavite, which in many ways was unusual for its time. Harald Jensen Akvavit is thus seasoned with, among other things, anis, allspice, pomerans and ginger. And fortunately for it, the result is one at the same time classical and complex seasoned aquavit, offering many exciting taste and scentnotes. Harald Jensen Aquavit highlights the flavor in heavy Danish lunch dishes and classic casseroles. Enjoyed best cooled. The taste strength: Highestering: Cool / freezer experience: Come, ginger, Pomerans, licorice
