5-Piece Interactive Robotic Pet Toy Bundle

These toys are clean, gently used, and in great working condition. Perfect for kids who love interactive animals!
What's Included in the Lot:

Furby Boom: The classic interactive companion with expressive digital LCD eyes and a changing personality.
Fijit Friends Yippit: A cute clapping, bouncing robotic pet that loves to dance to music and play interactive games.
Zoomer Hedgeiez: An electronic interactive hedgehog that rolls, does somersaults, and giggles when petted.
Hatchimal: The interactive electronic creature that responds to touch, walks, dances, and repeats what you say.
What the Fluff: An adorable, interactive plush puff-ball pet that reacts to your sound and touch.

Batteries not included (they require standard AA/AAA sizes depending on the pet).
