2-Piece Toddler Learning Bundle

Selling a fantastic 2-piece early development educational toy bundle perfect for toddlers and preschoolers (ages 2 to 5). Both toys are clean, gently used, and complete with all pieces. Great for fine motor skills, color matching, and early alphabet learning.

What's Included:

Fisher-Price Little People ABC Wooden Block Set: A beautiful, high-quality solid wood building block set. Features chunky wooden blocks illustrated with letters, numbers, and animals. Comes complete with its unique wooden Little People character figures (Eddie & Sarah) that stack right on top of the blocks!

Quercetti FantaColor Junior Pegboard: Premium mosaic art set made in Italy. Features a portable transparent pegboard with a built-in storage case, color-matching picture template cards, and large chunky pegs that easily snap into place. Excellent for building hand-eye coordination!
