Weights / Workout / Exercise Equipment - Home Gym

Selling my weightlifting equipment because it doesn't get much use anymore.

Included items: adjustable workout bench (incline/decline), EZ curl barbell, adjustable dumbbell handles, end clips/nuts, 300+ lbs of assorted plates (2.5, 5, 10, 25 lbs), 15lb dumbbell pair, foam mats, push up handles, grip training tools, assorted bands, boxing gloves.

Selling everything in a package. I cannot deliver, but I will help you load your vehicle. Items are in good shape with lots of life left. I am moving in a week, so make me a reasonable offer (cash only) and it's yours.

For $150 OBO you're getting everything needed for a beginner home gym. I used this stuff successfully a few years ago when I was into bodybuilding. Beats the gym if you prefer a more private or budget-friendly training routine.

Please text 1(867) 688-5654 for pickup (in Yellowknife). I am available in the evenings, on Remembrance Day, and this Sunday. Thank you!

Price: $ 150.00 or best offer
