Roof Top Tent And Bed Rack with 270 Awning

I will be in Yellowknife on the evening of November 30 December 1,2 and the morning of December 3rd. If you are interested in any of these items please let me know.

I have a 23 Zero Breezeway 56 RTT for sale on a RCI 12 inch high bed rack with an Overland Vehicle Systems 270 degree awning for sale.

The rack is new and will fit any truck bed from 55.25 -64 inches wide. RCI claims it can hold up to 1500 lbs but recommend 750 lbs. The Awning is brand new as well, it has only been opened up and use for 1 trip this past month. The tent has been used for a couple of seasons, one on my 2 dr Jeep and a couple of trips this year on my Gladiator.

I will consider selling the components separately but I will not sell the rack until the tent and awning have been sold. The tent has some extras like the boot bags, a gear loft and a fitted waterproof sheet. It also has a spare new transit cover.

Contact me if you are interested in having a complete adventure set up for your rig or if you are interested in individual items. The tent I'll sell for $1700 by itself. The awning is available for $700 and the rack is $1100 by itself and only after the other 2 items sell. The high lift jack and Maxxtraxs are not included.

Price: $ 3,500.00 or best offer
